

# Comprehensive RE Assessment & Curriculum Framework

Integrated Salisbury Diocese & Derbyshire Agreed Syllabus 2020-2025

## 1 The Purpose and Principal Aim of RE

The principal aim of RE is to engage pupils in systematic enquiry into significant human questions which religion and worldviews address, so that they can develop the understanding and skills needed to appreciate and appraise varied responses to these questions, as well as develop responses of their own.

### 1.1 The Threefold Aim

- **Know about and understand** a range of religions and worldviews.
- **Express ideas and insights** about the nature, significance, and impact of religions and worldviews.
- **Gain and deploy the skills** needed to engage seriously with religions and worldviews.

## 2 Integrated Assessment Progression Grid

This grid integrates Salisbury Diocese (Understanding Christianity) core concepts with the Derbyshire/Derby City Statutory Assessment Criteria (highlighted in blue bold).

## 3 Assessment Methodology: Progress Steps

Assessment is integrated into the enquiry process rather than separate testing.

- **Emerging:** Pupils recall and name different beliefs and practices; talk about religious materials and ask questions about ideas.
- **Expected:** Pupils retell and suggest meanings to religious/moral stories; describe and make connections between features; express ideas thoughtfully.
- **Exceeding:** Pupils explain the impact of ideas; analyse arguments cogently while justifying perspectives; evaluate diverse beliefs and sources of wisdom.
