2nd May 2019

Dear Parents,

As you may be aware May is the month when Year 2 and Year 6 children take their SATs. In Year 2, we strive to keep the assessments as low-key as possible and I have deliberately not mentioned the word to the children. They have been doing practice tests on and off all school year and when we start the SATs next week, I will endeavour to keep to the same style we have used for practice so as not to put unnecessary pressure on the children.

With this in mind, please find enclosed a booklet explaining the testing process and if you have any questions at all please do not hesitate to contact me.

Yours sincerely,

Miss S Bellicoso
